

A NEW STANDARD

MISSION

To provide the law enforcement community with the most effective and practical self-defense training available.

QUALITY

Since 1997, thousands of officers have received SSGT training. This program has been responsible for saving officers' lives and saving officers from serious injury in the line of duty. Our Instructor Courses consistently receive marks of "Excellent" on course evaluations.

Our training injury rates are well below one percent. Law Enforcement Agencies and Academies all over the Southeastern United States trust and rely on SSGT.

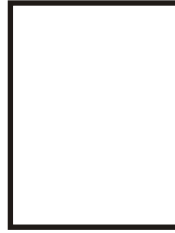

BECOME PART OF OUR TEAM!

Join the growing number of state and local law enforcement agencies that have added SSGT to their defensive tactics programs.
